

NEWSLETTER SPECIAL EDITION

15th February , 2020

THIS IS THE TIME FOR DISTANCE, NOT GAPS.

1. Operation Resuming since 10th February

With our all-out joint efforts to protect our fellow staff from SARS-CoV-2, authorized by the Government, Homa officially resumed working on 10th February.

Carefully following the rules and suggestions of the local authorities, Homa adopts all-out efforts to secure and protect our staff. Based on that, our operation of production and sales support would move on to deliver quality products and services to you.

THIS IS THE TIME FOR DISTANCE, NOT GAPS.

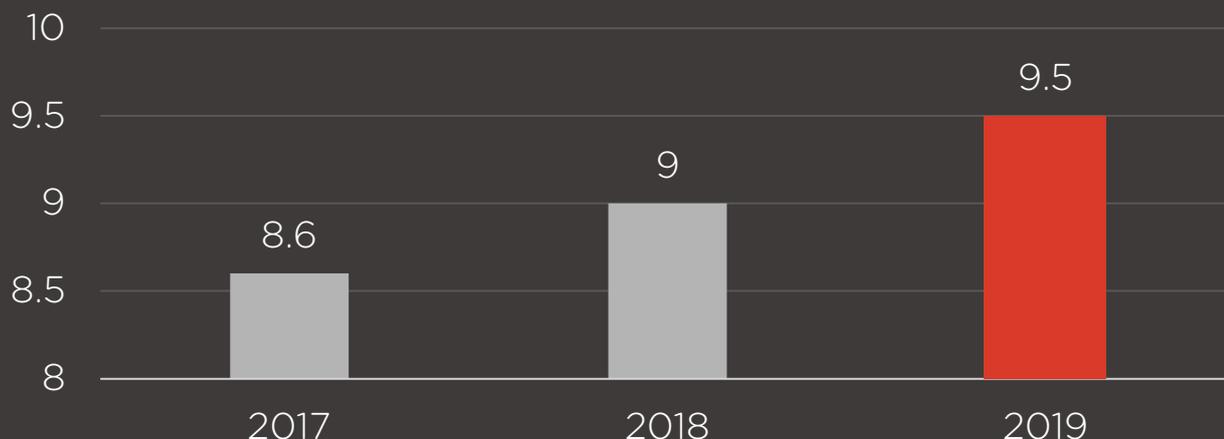

2. All-around Prevention and Control

Led by Homa Crisis Coordination Task Force, various positive measures of protective supplies management, access and exit control, real-time health monitoring, all-around cleaning and disinfection etc. are taken efficiently and effectively.

In additions, guidelines for Personal Health Management and Knowledge about Novel Coronavirus etc. would be displayed for public reference.
